Owner information

Enter the name and social security number of every person included on the deed to your home. If there are more than two owners, attach a separate page with all owner names and social security numbers.

Physical address. Enter the physical address of your home. P.O. Box addresses are not acceptable.

Mailing address. If your mailing address is different than the physical address of your home, enter the mailing address here. If the physical and mailing addresses are the same, leave this line blank.

Property description. Check the box that most accurately describes your home and enter the number of acres of land you own as part of this home. If you check the "Other" box, enter a short description of the type of property, for example enter "apartment" if you own an apartment building and live in one of the units. If you check the "Condo/townhouse" box and you own a portion of the land, enter the number of acres the building sits on. If you do not own the land your home is on, such as a mobile home on a rented lot, enter "0."

Phone. Enter the best number where you may be reached you during the day.

Email. Enter your email address. If you don't have an email address, leave this line blank.

Check each box that applies:

1a. I will be at least 65 years old on April 1 of this year. If any owner of the property included in the Owner Information section is 65 years old or older, check this box. You must attach proof. Proof of age, if 65 or older, includes a copy of your driver's license, birth certificate, or other official document that shows your name and birth date.

1b. I have a documented disability that makes me unable to be employed. If any owner of the property included in the Owner Information section has a documented disability that makes them unable to be employed, check this box. You must attach proof. "Disability," as defined in 36 M.R.S. § 6250(2-A), means a permanent and total impairment or condition that prevents an individual from being employed as determined by an agency of this State or of the Federal Government or pursuant to routine technical rules adopted by the State Tax Assessor. For more information, see MRS Rule 211.

2. I own this property without limitations (fee simple) and this property receives a homestead exemption. If you own your home without limitations such as needing permission from a third party to sell the home **and** if your home receives a property tax homestead exemption, check this box. Your most recent property tax bill will show a deduction of value for this exemption if you receive it. You don't need to attach proof; your local assessor will know if you receive a homestead exemption. If there is a question about ownership of your home, you may be asked to provide a copy of your deed.

3. This property is not currently in a municipal deferral program, there are no municipal liens against it, and there are no prohibitions against the property that prevent selling it or placing it in a deferral program. If your municipality has not deferred some or all of your property taxes, if there is no municipal lien against your home, and your deed contains no restrictions on your ownership, check this box. You do not need to attach proof; if there is a question about ownership of your home, you may be asked to provide a copy of your deed.

Direct heirs

This section is for information about who you have designated or who you will designate as the personal representative of your estate.
